- ▶ Earn your diploma at **SIATech El Centro Charter School**.

**ENROLL NOW!**

## You will graduate ready for college and ready for a career!

### School Features

- Students earn a WASC-accredited high school diploma.
- Meet **YOUR** goals! Every student creates a personalized learning plan based on his or her post-graduation goals.
- Caring staff members provide one-on-one attention and instruction.
- Learn skills to get a good job and go to college.
- And, it's **FREE**.

SIATech El Centro is a **FREE** public high school where you can continue your education at your own pace. The process begins with a discussion of your goals and review of your previous academic work. Then, you and your teachers design a personalized learning plan. Through small group instruction, individual tutoring, and self-paced study, you will make progress on your learning plan to success. Every step of the way, our principal, teachers, and staff make sure you have the support to finish your courses. We will help you accomplish your goals!
